Dear Hans:

Thank you so much for taking the time to come to the graduation of our CHIP 3 program last week.

I know it meant a lot to the graduates to have you there and to receive your encouragement. We especially like the fact that you stayed and had a great meal with us. Thank you for all the help you have given us, and most importantly for assisting us to help our patient's, and we look forward to our continued association with you.

Very truly yours,

Tracy C. Brito, M.D.
